Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the Kern Council of Governments' (KCOG) Administrative Amendment No. 13, which makes a technical adjustment to their 2004/05-2006/07 Federal Transportation Improvement Program (FTIP). The adjustment changes the lead agency from the City of Shafter to the County of Kern for a project in Shafter. This action falls within the definition of administrative actions. This amendment does not affect air quality conformity, timely implementation of Transportation Control Measures or financial constraints, and does not result in major scope changes.

The changes are included and submitted by KCOG through the California Transportation Improvement Program System.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".

Rachel Falsetti, Chief  
Office of Federal Transportation Management Program
